To the Heads of organizations

On holding a competition to select the
company-developer of the individual
stand Made in Belarus (BELAZ)

Dear partners!

Exhibition Unitary Enterprise Belinterexpo of BelCCI is the organizer of the individual stand Made in Belarus (BELAZ) within the framework of the International multi-industry exhibition FILDA (July 22-27, 2025, Luanda, Republic of Angola).

We invite you to take part in the competition, which will result in the identification of a contracting organization ready to build and accredit the individual stand Made in Belarus (BELAZ) in accordance with the established design project and terms of reference.

The project provides for the implementation of an exhibition stand in the "peninsula" format, developed on the basis of an individual design project provided by the Belinterexpo UE of the Belarusian Chamber of Commerce and Industry, with a total area of 18 square meters.

The service delivery period includes arrival on July 18, installation work from July 18 to July 21, maintenance of the stand by a specialist on duty from July 22 to July 27, as well as dismantling of the stand from July 27 to July 28, 2025. Payment is made by wire transfer via direct bank transfer with an advance payment of 70% of the total amount and 30% at the end of the event.

Interested companies wishing to participate in the tender procedure are kindly requested to send their commercial proposals based on the attached terms of reference and design project, as well as other required information, including a portfolio with photographs of completed exhibition stands; bank information and currency of payment, documents confirming the legal status of the contractor (certificate of registration of a legal entity and permits attesting to legal personality, and also about the authority to carry out the developer's activities);

letters of recommendation and appreciation from the organizers of the FILDA exhibition or other organizations that provide services (if any).

Please send the documents for the competition by e-mail to tender@belinterexpo.by no later than June 18, 2025.

Supplement: technical specification and design project of the stand in electronic form.

We hope for fruitful cooperation,

Director

N. Kurash
