№ 1.02-01/271 от 20.08.2025

To the heads of organizations

Tender for selection of
developer company for the
National Exposition of the
Republic of Belarus

Dear partners,

Exhibition Unitary Enterprise Belinterexpo of the BelCCI is the organizer of the National Exposition of the Republic of Belarus at the 8th China International Import Expo (CIIE), which will be held from November 5 to 10, 2025, in Shanghai.

We invite you to participate in the first stage of the tender, which will result in the selection of a contracting organization capable of constructing and accrediting the collective stand of the Republic of Belarus in accordance with the developed design project and technical specifications.

The project involves the creation of an exhibition stand in an "island" format, developed based on an individual design provided by Belinterexpo of the Belarusian Chamber of Commerce and Industry, with a total area of 132 square meters. We kindly ask you to prepare and submit two options of the stand design to determine the most optimal option.

Payment should be made via bank transfer, with 70% of the total amount paid as a prepayment and the remaining 30% payable upon completion of the event.

Concerned companies who will participate in the tender are invited to submit their commercial proposals based on the attached technical specifications and design project, along with the following information:

1. Portfolio with photos of completed exhibition stands;
2. Bank details and preferred payment currency;
3. Documents confirming the legal status of the contractor (certificate of registration, permits attesting to legal capacity, and authorization to perform developer activities);

4. Letters of recommendation and appreciation from the organizers of the CIIE or other organizations providing related services (if available).

Additionally, we would like to inform you that designs for commercial stands are also being prepared for construction in two pavilions with areas of 120 and 150 square meters. The winner of the second stage of the tender will be responsible for constructing three of these stands.

Kindly provide your documents for the tender via email tender@belinterexpo.by no later than August 25, 2025.

Technical specifications and the design project of the stand are attached in electronic form.

We look forward to further cooperation.

Head of exhibition department

I.Iurova
