To the Heads of organizations

On holding a contest to select
a company-builder of the
collective stand «Made in
Belarus»

Dear partners!

Exhibition Unitary Enterprise Belinterexpo of the BelCCI is the organizer of the collective stand Made in Belarus within the framework of the International Multidisciplinary Exhibition IATF - Intra-African Trade Fair (September 4 - 10, 2025, Algeria, Algeria, People's Democratic Republic of Algeria).

We invite you to take part in the competition which will result in the identification of a contracting organization ready to build and accredit the collective stand Made in Belarus in accordance with the developed design project and technical specifications.

The project provides for the realization of an exhibition stand in the «corner» format, developed on the basis of an individual design project provided by Belinterexpo of the Belarusian Chamber of Commerce and Industry, with a total area of 36 square meters. We ask you to calculate 2 variants of exhibition stands to identify the optimal choice.

The dates of services include arrival on August 28, installation works from August 28 to September 3, stand service by a specialist with knowledge of English on duty from August 30 to September 10, and booth dismantling from September 10 to September 12, 2025. Payment shall be made by bank transfer with a 70% prepayment of the total amount and 30% at the end of the event.

Interested companies who wish to take part in the tender are welcome to send their commercial proposals based on the technical specification and design project attached, as well as other necessary information, including portfolio with photos of finished exhibition stands; bank details and payment currency; documents proving the legal status of the contractor (certificate of registration of

a legal entity and permits attesting to legal personality, and also about the authority to carry out the developer's activities); letters of recommendation and appreciation from the organizers of the IATF exhibition or other organizations that provide services (if any).

Please send the documents for the competition by e-mail to tender@belinterexpo.by no later than June 28, 2025.

Supplement: technical specification and design project of the stand in electronic form.

We hope for fruitful cooperation,

Director

N. Kurash
