To the heads of organizations

Tender for selection of
developer company for the
Exposition of the Republic of
Belarus

Dear partners,

Exhibition Unitary Enterprise Belinterexpo of the BelCCI is the organizer of the Exposition of the Republic of Belarus at the Saudi Food Show, which will be held from September 27 to 29, 2026, in Jeddah.

We invite you to participate in the tender, which will result in the selection of a contracting organization capable of constructing and accrediting the collective stand of the Republic of Belarus in accordance with the developed design project and technical specifications.

The project involves the creation of exhibition stand in an "island" format, developed based on an individual design provided by Belinterexpo of the Belarusian Chamber of Commerce and Industry, with a total area of 72 square meters.

Payment should be made via bank transfer, with 70% of the total amount paid as a prepayment and the remaining 30% payable upon completion of the event.

Concerned companies who will participate in the tender are invited to submit their commercial proposals based on the attached technical specifications and design project, along with the following information:

1. Portfolio with photos of completed exhibition stands;
2. Bank details and preferred payment currency;
3. Documents confirming the legal status of the contractor (certificate of registration, permits attesting to legal capacity, and authorization to perform developer activities);
4. Letters of recommendation and appreciation from the organizers of the Saudi Food Show or other organizations providing related services (if available).

Kindly provide your documents for the tender via email tender@belinterexpo.by no later than August 4, 2026.

Technical specifications and the design project of the stand are attached in electronic form.

We look forward to further cooperation.
